Description: Mr. Putter and his fine cat, Tabby, are going for a train ride with their neighbors, Mrs. Teaberry and her good dog, Zeke. Theyve planned the perfect afternoon trip. But when they get to the station, theyre in for a big surprise: No pets are allowed on the train! It looks like the trip is off, until Mr. Putter comes up with a clever idea.

Review: Our family enjoys Mr.Putter. This was not a favorite. Mr. Putter and his neighbor are not allowed to take their pets on the train, so they go home to make hiding places for them and then they sneak them on the train.Its may seem over the top, but I dont like when the main character breaks the rules. I think its set a bad example....
